

# The journey continues!

2<sup>nd</sup> session 22 – 26 November 2020

## Second meeting of the Reconfiguration Commission

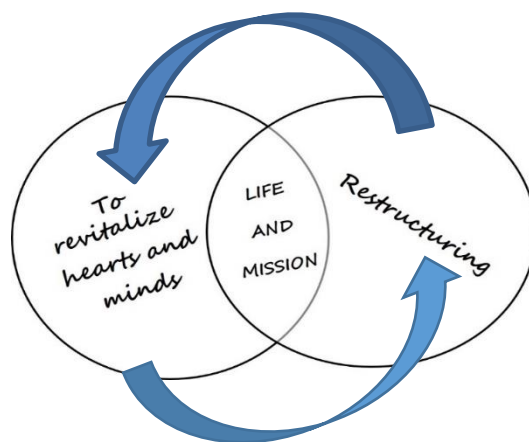

We continued with the work begun in August; we made progress with regard to the Plan of Action.

We met via zoom, with Srs. Francoise Barras and Lourdes Varguez as translators and Sr. Piluca Benavente as our facilitator.

Further necessary steps were taken in the field of: revitalization and restructuring.

For the former some material has been prepared that is helpful for a change of attitudes and for the development of skills for an open heart, mind and will.

To get a 'photo' of the current reality of RJM and our mission, the Commission prepared a questionnaire, so as to get the necessary information from every province/delegation of our congregation.
